

# *PDMP Integration in Colorado*

**COLORADO**  
Department of  
Regulatory Agencies

# Streamlined PDMP Access

- ❑ Integration of PDMP data into a patient's electronic health record
  
- ❑ Direct-Connection: University of Colorado Health-Based ERs (8), University Family Health (1), Kroger-owned pharmacies (147), Valley Wide Health Systems (7 clinics, 1 pharmacy), Rocky Mountain Urgent Care (6 clinics)
  - In the cue: CVS-owned pharmacies (50), Centura Health Hospitals (15).
  - Coming soon: SCL-owned hospitals, Wal-Mart pharmacies.
  
- ❑ HIE Integration: HCA-owned Hospitals (8) and St. Mary's Hospital at Grand Junction (1).
  
- ❑ PDMP is part of meeting the standard of care for safe prescribing
  
- ❑ King Soopers / City Market pharmacies integration into PDMP (See next slide)
  
- ❑ UC Health ER integration into PDMP resulting in 500,000 overall state-wide queries to the PDMP in a single month.

# PDMP Utilization Rates

## Total Queries / Total Prescriptions Dispensed

*\*Prescriber utilization rates spiked in March-June, 2017 due to multiple patient “pings”, or queries, of PDMP after UC Hospital EHR integrations. Issue was resolved with contractor in Fall 2017, which stabilized utilization rate.*
