## Conference Call Agenda/Minutes

- Roll Call 11

Quorum not established

- Approval of Meeting's Minutes from 1-19-2022 and 3-16-2022

Tabled until next meeting since no quorum was established.

- GOAL: Hub to Hub Interoperability – Review interoperability diagram

Jean Hall (KY) stated that the interoperability diagram is still being worked on. It will be developed into two documents: one for a technical audience and one for lay people. She displayed the latest draft for the subcommittee and identified areas to be addressed.

- GOAL: Multi-state health system rules sets in different states; explain challenges/opportunities.
  - Survey results

Jean Hall (KY) displayed the results from the survey; 11 respondents. TTAC will categorize the suggestions into business issues, technical issues, etc. and send to subcommittee prior to next meeting.

- Other Business

- Develop method to identify PDMPs' NIEM version

- Next Meeting – Wednesday, July 20<sup>th</sup> at 3-4p ET – cancel or reschedule?

Next meeting will be on August 17<sup>th</sup>.

- Goals

GOAL	Technical
Explore best practices in EHR integration/interstate data sharing queries	1st
Hub to Hub Interoperability - Document the previous work that proved the feasibility of hub to hub interoperability. Consider whether this should be a standard.	1st
Identify functionality for data sharing hubs	2nd
Multi-state health system rules sets in different states; explain challenges/opportunities	2nd
