

HAROLD ROGERS PDMP 2022 NATIONAL MEETING

PDMPs: At the Forefront of Innovative Solutions to the Prescription Drug Epidemic

The meeting will gather prescription drug monitoring program administrators from across the country, industry and federal leaders, and the general public to enhance the work of PDMPs. By showcasing the power of PDMPs to reduce opioid prescriptions and chronic use efficiently and effectively, this meeting is a **singular opportunity** for government agencies and partnering organizations to better understand PDMPs and improve their function. The event will feature expert-led presentations on emerging issues, research initiatives, recent epidemiological breakthroughs, state initiatives, grantee projects, and data analytical capabilities, as well as interactive discussions.

This event is open to anyone who would like to attend. There is **no** registration fee. This meeting is sponsored by BJA, which funds the Harold Rogers PDMP, in partnership with the PDMP Training and Technical Assistance Center at the Institute for Intergovernmental Research.
