- Data Access Vendor name: Bamboo Health

- ASAP Version Utilized: 4.2A

### Patient Matching

- Referential Matching
- Deterministic Matching
- Manual Matching
- Other Matching

TN offers a list of patients for healthcare providers to select appropriate patients to include in the report. An option to select "None of These" is offered if the patients listed are not the healthcare providers patient.

- Access to patient matching algorithms

### Integration(s) Available

Enrollment and Accounts

☑ Supervisor Review/audit of Delegate Accounts  Number of Delegates allows: unlimited for licensed delegates only
☑ Auto Enroll with License Renewal or App

Enrollment Method:
Go to URL https://www.tncsmd.com/ and choose register and appropriate user type and enter the required information identified by red "***" and hit "Submit". Required information varies by user type. If all information is validated the system automatically s

Practitioner IDs for PDMP Account:
DEA controlled substance registration number; Licensing Board number; National Provider Identifier;

2 Factor Authentication:
2 factor authentication not offered

Criteria for Dispensers to get account to upload data
Vendor is responsible for Dispenser registration requirements

Criteria for Prescriber delegates to get account:
Registration requires state licensure information if licensed, driver license and driver license of supervising physician, demographic and personal information

Criteria for Dispenser delegates to get account:
Registration requires state licensure information if licensed, driver license and driver license of supervising pharmacist, demographic and personal information

Criteria for PAs to get account:
Registration requires: DEA Registration number, TN professional license number, driver’s license number of supervising physician, email address, phone and other demographic information and personal information

Criteria for Nurse Practitioners to get account:
Registration requires: DEA Registration number, TN professional license number, driver’s license number of supervising physician, email address, phone and other demographic information and personal information

Criteria for other users to get account:
Access is determined by TN law

Requirements for Patients to get PDMP Report:
Their provider is allowed to release a report from their medical record

Requirements for others to get PDMP Report
Criteria for Online Non-healthcare accounts:
PDMP Data for Epidemiological Purposes: Authority to Release

☑ Law Enforcement On-line access to PDMP ☑ Law Enforcement Written Request access to PDMP

Law Enforcement Access Method:
Law Enforcement Access Requirements: Active Investigation
Proper Need/Upon Request

☑ PDMP users validated with DEA Registration File ☐ PDMP Access without DEA Number
☑ PDMP users validated with NPI File Validation Process for
☑ PDMP users validated with State Licensing Board File users without DEA #:
Enrollment Mandates

Dispenser - Mandatory PDMP Enrollment
Prescriber - Mandatory PDMP Enrollment

Effective Date(s): January 1, 2013

Details:
Per Tennessee Public Chapter 1002 in 2016 and Public Chapter 1039 in 2018

Effective Date(s): January 1, 2013; October 30, 2021

Details:
Per Tennessee Public Chapter 1002 in 2016 and Public Chapter 1039 in 2018

Rule 1145-01-.03 Registration with the Database. (1) Each healthcare practitioner registered with the database shall register each of his or her Tennessee DEA Registration Numbers, including suffixes, as part of his or her CSMD profile. (2) Each healthcare practitioner required by Title 63 to maintain a collaborating physician shall register each and every of his or her collaborating physicians who allow that healthcare practitioner to prescribe controlled substances within his or her CSMD profile. Each collaborating physician who allows a collaborating healthcare practitioner to prescribe controlled substances shall be registered with the database profile within thirty (30) days after such collaborative relationship begins. Any collaborative relationship which lasts less than thirty days in a calendar year is exempt from registration unless such registration is required for the healthcare practitioner to have the necessary access to the database. (3) Each healthcare practitioner registered with the database must maintain a unique valid e-mail address that she or he has access to and keep such e-mail address associated with his or her user profile in the database.

Use Mandates

Dispenser - Mandatory PDMP Use
Prescriber - Mandatory PDMP Use

Effective Date(s): April 1, 2013

Details:
Healthcare practitioners shall query the PDMP at the beginning of each new episode of treatment and semi-annually when that controlled substance remains part of the treatment; when dispensing a controlled substance, all healthcare practitioners shall query the PDMP prior to dispensing certain controlled substances to the patient for the first time at that practice site and at least semi-annually; before prescribing or dispensing, a healthcare practitioner shall query the PDMP if the practitioner is aware or reasonably certain that the person is attempting to obtain a Sch. II – V controlled substance for fraudulent, illegal, or medically inappropriate purposes. Nonresidential office-based opiate treatment facilities shall query the PMP upon every visit of the patient with a program physician.

Effective Date(s): April 1, 2013; 1-26-22

Details:
Healthcare practitioners shall query the PDMP at the beginning of each new episode of treatment and semi-annually when that controlled substance remains part of the treatment; when dispensing a controlled substance, all healthcare practitioners shall query the PDMP prior to dispensing certain controlled substances to the patient for the first time at that practice site and at least semi-annually; before prescribing or dispensing, a healthcare practitioner shall query the PDMP if the practitioner is aware or reasonably certain that the person is attempting to obtain a Sch. II – V controlled substance for fraudulent, illegal, or medically inappropriate purposes. Nonresidential office-based opiate treatment facilities shall query the PMP upon every visit of the patient with a program physician.

Rule 1145-01-.04 Drugs of Abuse. Pursuant to T.C.A. § 53-10-310(e)(4), in addition to opioids and benzodiazepines, the Commissioner finds, and the Committee has found at Rule 1140-11-.02, that Schedule II amphetamines demonstrate such a potential for abuse that when prescribing Schedule II amphetamines, all healthcare practitioners, unless otherwise exempted, shall check the controlled substance database prior to prescribing Schedule II amphetamines to a human patient in accordance with T.C.A. § 53-10-310(e)(1).

- Unsolicited alerts/reports to practitioners not enrolled in PDMP
Veterinary Policies

Data transmission frequency for Veterinarians: 14 days

Criteria for veterinarian queries: Animal's Name

- Veterinarian access to owner's prescription history
- Veterinary Icon on PDMP Report

Reporting Specifications

- Reporting Method: Electronic, Mail, Fax, Web Portal, email completed form
- Reporting Specifications: See TCA53-10-304
- Data Fields: PAT07 - Last Name, PAT08 - Animal's First Name, PAT18 - Animal's Date of Birth
- Reporting Description: Veterinarians are required to report

Reporting Mandate Compliance

- Reporting Compliance Details: See TCA53-10-304

Enrollment Mandate Criteria:

- Enrollment Mandate Compliance

Enrollment Description: Veterinarians must submit data to TN, if statutory requirements are met. Veterinarians must register with CSMD as determined by statute.

Enrollment Mandate Compliance Details:

Query Mandate Compliance

- Query Description: Veterinarians can voluntarily query

Query Mandate Compliance Details:

Query Mandate Criteria:
PDMP Effectiveness Measures

Reduction in morphine milligram equivalents (MMEs) prescribed or dispensed
Reduction in number of fatal or non-fatal overdoses
Reduction in incidence of multiple provider episodes
Reduction in number of opioid prescriptions issued
Reduction in number of benzodiazepine dosage units dispensed

Substance Use Disorder Activities

Tools or Resources

- MAT Services
- MOUD Services
- Harm Reduction Strategies
- Mental Health Assistance Services
- Employee Assistance Programs
- Housing Assistance Programs
- Re-Entry Programs

Other:
PDMP Data is used to inform the listed activities but not incorporated.

Surveillance Activities

- Emergency Department Data

Data Sources for Surveillance Activities:
- TN Death Certificates, State Unintentional Drug Overdose Reporting System (SUDORS), Hospital Discharge Data System (HDDS), Drug Overdose Reporting (DOR), Electronic Surveillance System for the Early Notification of Community Epidemics (ESSENCE)

Initiated Actions

- Resources to Affected Areas
- Directed Training on Prescribing
- Prescription Drug Tool Kits
- Risk Evaluation/Analysis on PDMP Reports
