PDMP Accounts

- Automatic enrollment with license renewal or application

Enrollment method: [online enrollment](#)

Prescriber account criteria: Prescribers must have a valid Vermont License to practice, a valid DEA and submit a government-issued photo ID as a validation document.

Dispenser account criteria: Dispensers (pharmacists) must have a valid Vermont License to practice, a valid employer DEA and submit a government-issued photo ID as a validation document.

Regulatory Board account criteria: A designated representative of a board responsible for the licensure, regulation, or discipline of health care providers or dispensers pursuant to a bona fide specific investigation may request data from the Vermont Prescription Monitoring System. No direct access.

Law Enforcement account criteria: A drug diversion investigator shall not have access to VPMS except for information provided by the licensing or certification authority. When the Commissioner of Health reasonably suspects that there is fraudulent or illegal activity by a health care provider or dispenser, the Department may provide data on such an instance to the appropriate licensing or certification authority. That authority may report the data that are evidence of suspected fraudulent or illegal activity to a trained law enforcement officer. State and Federal Law Enforcement has authority to access the PDMP data with a court order. No direct access.
